Special Meeting of watershed management group (Tarbiat Modares University) and Prof. Rainer Duttmann (University of Kiel) and other programs

In **May 7, 2018** Prof. Dr. Rainer Duttmann, from University of Kiel (CAU), Germany, had a meeting in Faculty of Natural Resources of Tarbiat Modares University, Mazandaran Province. To provide more insight on the under project subjects and be familiar with the members of Watershed Management Group, the special meeting in the afternoon at 2:00 was organized by Prof. Sadeghi (Professor of Tarbiat Modares University and Head of the Watershed Management Society of Iran). In addition, to introduce different views of Mazandaran Landscapes a tour was planned in **May 8, 2018**.
